Commander's Comments

Remember me lamenting about the cold January weather and not joining the number of people heading south in the last issue of Rideau Ripples? In fact, just two weeks ago this was not even on the dashboard but here I am, in a lovely KOA Kampground in St. Petersburg Florida putting my last Commander's Comments together. Of course a cold front is moving into the area, I wonder if it is due to our arrival, but the temperature will still be in the low 80's. My 2 year term as Squadron Commander will be over at Squadron AGM and Change of Watch held Thursday April 16, 2009 at Robbie's Italian Restaurant.

I know this will sound like a cliché but I can't believe the 2 years are already over with. They really do go by so quickly. I had a lot of fun being the Squadron Commander. And now for the truth ... it really was the fantastic Bridge that made everything a lot of fun. Thank you, thank you Bridge.

Our XO, Bryan Carroll is all set to take on the Squadron Commander responsibilities and I look forward to working with the new Bridge. Bryan is a wonderful person with a great sense of humour and hopes that you treat him as well as you have treated me.

I hope you were able to attend the Ottawa Boat & Sportsmen's Show last month. Reports from the booth watch keepers are that a lot of people stopped by to visit the booth which hopefully will translate into a more people taking spring courses.

Our annual Squadron dinner held at Algonquin College last month was a huge success;

- 81 people in attendance
- As always the College staff put on an excellent meal (hip of beef and deserts to die for)
- Door prizes galore; The Chandlery provided mugs, caps, picture frame, stationary, & rigging knife and Orleans Chrysler & Performance Mazda provided mugs, a light, carry bags, poncho, shop towels, thermometer, flashlight-pen-tire gauge- combo set. & pen
- The SAM Gp provided a \$25.00 gift certificate for each attendee
- Raffle Prizes of an inflatable PFD, & a carving set (about a \$400.00 value) was provided by the SAM Gp
- Regalia items for sale
- Fun impromptu draw worth \$25.00 cash to the 1st person with a door prize ticket and wearing a Squadron pin (yes, Squadron pins were on sale before the draw)
- Guest speakers were Dan Tremblay and Cindy Desormeaux. They did a lively presentation on their experiences cruising America's Great Circle Route (Kingston – Georgian Bay – Chicago – Mobile – Key West – New York City – Kingston)

Thank you Fred for putting on this wonderful event.

Well I have so much more to say but Lindy is calling for a walk along the beach. So let's see now, laptop writing or walking along the beach with Lindy. I choose life ... it's time for the walk.

Hope to see you at the Squadron AGM in April.

Gord Abry, *AP*; Commander

Course Ammendment

For those who have taken the Maritime Radio Course, Module 1, Section 7.1.3 is being revised to show a change regarding the operation of EPIRBs; COSPAS-SARSAT is only monitoring EPIRBs on 406 MHz. They used to monitor 121.5 and 243 MHz as well as 406 MHz.

The EPIRBs still do transmit a signal on 121.5 and 243 MHz for the purposes of direction finding by the Coast Guard, but search and rescue will only be instituted when the Coast Guard receives the distress signal on 406 Mhz. Older EPIRBs (those that transmit the distress signal on 121.5 and 243 MHz) are no longer to be used and should be replaced with new ones. Units purchased in the last seven or so years will likely be the 406 models.

Cowan Insurance Column

*It's getting warmer....and boating season is just around the corner!
A great time to start sharing our stories and questions!*

DEAR CARLA:

I just bought a new boat. How do I go about getting insurance?

DEAR CPS MEMBER:

At Cowan, it's a very simple process!

We provide you with a quote - you let us know if you accept it.

To request a quote:

- Go to <http://www.cowangroup.ca>
- Click on "Marine Insurance" (under "Get a Quote" section)
- Click on the box that says "Boat Insurance QUOTE"
- Fill in the blanks. (Note: no need for serial #s for quotes)

If you prefer, we can also fax or email you a copy of the application. Just call us at 1-800-268-2628.

Our standard turnaround time is 24 hours (but, we are very accommodating!)

If our quote is acceptable, let us know the effective date and hull serial #. We will then set up the policy.

It's that simple – just the way we like it!

We encourage you to ask us any insurance-related questions. Please feel free to email me: carla.lettenbauer@cowangroup.ca

ARE YOU GETTING A DISCOUNT ON YOUR HOME & AUTO INSURANCE?

*You should be! CPS members have access to discounted group insurance rates. Find out how much money you can save. Just contact Aviva Traders at **1-877-787-7021** or visit <http://www.avivatraders.com/cps>.*

We encourage you to share any stories or ask any insurance-related questions. Please email: carla.lettenbauer@cowangroup.ca

2009-2010 Membership Roster

Dear fellow member,

I volunteered several years ago to gather the information to be included the Annual Membership Roster. I have corrected the information every year with new Merit Mark, new Grade Level, and New Members and removed Outstanding Members.

The rules are still the same if you want to receive the 2009-2010; you must agree to have your information printed in it, your membership must be up to date by Sunday May 31, 2009 to be included. The "FREE" Squadron Picnic usually held in the middle of June is where you can pick-up your copy and mingle with other members, friends and eat hot dogs & burgers carefully cooked by seasoned mariners. Keep an eye on the Website for the Squadron Events at <http://cps-ottawa.com/events.html>. It is a great time and the more people, the better the picnic it is!

I have all the information from last year but it is up to YOU to send me an e-mail message to let me know what information you would like printed in the this year's edition. Yes, I can hear lots \$&@!\$ word of puzzled mariners out there without E-mail. Lower your anchor for a second and call me at (613) 824-9490. For those with e-mail, please e-mail gladoun648@rogers.com (ONLY THAT ONE, PLEASE).

The SQUADRON ROSTER compiles your following information: Family Name, First name, Address, Home Phone, Work Phone or Cell, Level (i.e. P., AP, etc), Merit Marks, Location of vessel Mooring, Vessel Name, Type (Power, Sail, etc), MMSI [(Maritime Mobile Service Identities(MMSIs) are nine digit numbers used by maritime digital selective calling (DSC)] and your e-mail address.

I plan to have a page on the OPSS website in the very near future where you can also provide that information.

If there are two members or more in your family please include their name to assist with the compilation for the data. Please do not wait; I plan to be on the water before the grass turns from brown to green!

*Guy A. Ladouceur, Squadron Roster Compiler!
